Aero Brake & Spares, Inc.

Press Release

AS9100 Certification

San Antonio, TX, April 22, 2007 : Aero Brake & Spares, Inc. is proud to announce that we have passed the AS/EN9100 Aerospace Quality Management System audit from registrar SGS North America Inc.

Quality Certification Standard AS/EN9100 /ISO 9001:2000

The AS/EN9100 series is an ISO 9001:2000 based set of standards developed by the International Aerospace Quality Group (IAQG) that addresses the stringent quality requirements of the aerospace industry, from commercial aviation to defense. Certification against AS9100 standard requirements can be applied to virtually any area of the aerospace industry throughout the entire supply chain.

- Certification of AS9100 Aerospace Quality Management System.
- Registered by SGS North America Inc.
- IAQG OASIS Database Registration <http://www.iaqg.sae.org>
